

## **AJIT PAWAR**

**Dy. Chief Minister**  
Government of Maharashtra  
President, P.D.E.A.

## **President's Message**

Dear Students,

I am indeed very much pleased to note your keen interest in joining the college of the Pune District Education Association. As a President of the Association, I cordially welcome you all. I must say that your critical wisdom is reflected in selection of our college and the courses for your further studies.

Observing young people like you all around me, sensing their hopes, aspirations, ambitions and vision, I must say that future of young generation is full of opportunities and promises. At our Association's education campuses, we offer an excellent infrastructure; that include modern facilities of computers and ICT tools, good laboratories, rich libraries, study rooms, auditoriums etc. housed in the beautiful buildings. Majority of our students pursue post-graduation after graduating from our colleges. Number of our students are getting benefits of the training and placement services offered at the college campuses.

Our faculties are motivated and are student centric. They help students to meet their goals and objectives by imparting quality education and trainings. 'Quality Education at affordable cost is our mission. Our qualified, young, energetic and enthusiastic teaching staff is always on forefront to assist the students. It helps in overall development of the students for facing the competition and challenges of the knowledge era.

You will be happy to know that the track record of achievements of our colleges is indeed commandable. Infrastructural facilities at colleges are constantly upgraded. Learning and extra-curricular activities enable our students to bring laurels in various competitions in the academics, sports and cultural activities.

At this juncture, I appeal you to commit to your resolution. I want you to really work on it hard and with sincerity. We are with you to help. I wish you all the best for your career.

Your's Sincerely

**Ajit Pawar**

## ABOUT PDEA

P.D.E.A. is a parent institute and backbone of our College with a sole aim of educating even in the rural families of Pune District and to create the bright future generation. Founder member Shri. Baburaoji Gholap started P.D.E.A. on 7<sup>th</sup> September 1941. Motto is "Benefit and Happiness of the Society".

Shri. Baburaoji Gholap was strongly supported by Mr. Annasaheb Awate, Mr. Shankarrao Ursal, Mr. Mamasahab Mohol, Mr. Mamasahab Pimple in this Good venture project.

Our institute has won the best institute award in the Year 2000 from Government of Maharashtra in the regime of former President Late. Hon. Mr. Ramkrishna More. During 1941 to 1955 P.D.E.A. started 379 schools in Pune District to promote education in rural areas. At present, Hon. Mr. Ajit Pawar has governed as the President of P.D.E.A. which runs for primary, secondary as well as professional education.

Hon. Shri. Sharad Pawar Ex. Union Agriculture Minister, Govt. of India is our Guardian and Hon. Shri. Ajit Pawar Dy. Chief Minister of Maharashtra is our President.

As on today, P.D.E.A. is running 08 Senior colleges, 12 Professional colleges, 30 Higher secondary/ Junior Colleges, 61 Secondary schools, 25 Professional Curriculum, 12 primary schools and 10 Pre-Primary English/Marathi Medium schools.

- 5) Law College
- 6) B.Ed. College
- 7) Management Courses eg. M.B.A., M.C.M., M.P.M., D.B.M., D.C.M.

## Principal's Note

I am happy to write this page as a principal of my college of Ayurved and Research Centre. I hope this would provide the essential information about the programmes and developments along with many aspects of our unique institute and Ayurved to all students and concerned people.

Recently we have completed Twenty five years of our dedicated service in the field of imparting health and education in Ayurved. In all these years we have achieved a great success. From the inception our students

have secured top positions at State level in M.U.H.S. examinations.

Ayurved which is a "Science of Life" is rapidly globalizing and people are aware that Ayurved will serve the suffering humanity in this new millennium. By creating a suitable atmosphere in college, we are achieving our goal of creating awareness regarding this science of life among the students. Our progress is whole worthy.. At present we have Fourteen Post Graduate departments.

Working with an aim to provide best in academics and clinical excellence we organize various guest lectures, workshops, seminars, clinical and research meetings, visits of students to various renowned herbal gardens and scientific places for research projects carried under each department.

As Research is our primary we are pathing in our every possible effort for propagation and progress of evidence based Ayurved. ARDB is our unique project on the horizon of Ayurved which will be useful for Ayurved Institutes, research scholars Ayurvedic drug manufacturers, teachers and guides.

Our institute has its own central Research Laboratory (CRL) which has been established for Macroscopic and Microscopic examination of biological plant elements like leaf, stem, fruit etc. The research work by our teachers is with Scholarship of M.U.H.S. All departments are also indulged in separate research projects. Our UG students also actively carry our research projects under UG scholarship for students by M.U.H.S. Students participate enthusiastically in Avishkar which is a research platform for the students by M.U.H.S. NAAC Accreditation of our college is in process and completed within stipulated period.

We have two hundred and twenty bedded spacious NABH Accredited hospital with well equipped and furnished OPD's and IPD's. All major and minor surgeries are performed regularly in our major, minor, gynec, orthopedic and ophthalmic OT Ultramodern pathology lab, USG, CT Scan and ICU NICU facilities are available. All types of Panchakarma are carried out under expert opinion at our well furnished Panchakarma Unit. We organize special free medical check-up and treatment camp at centre and periphery area of PCMC to provide health service and propagation of Ayurveda at the grassroot level of the society.

I am very much thankful to all the dignitaries from our parent body, Pune District Education Association ( P.D.E.A.) for their timely valuable guidance and support which encourage us all the time to get the success in every aspect of our institute. Last but not the least; I consider that our success lies in the teamwork and work culture of our institute. We believe that our esteem is a blessing from lord Dhanwantari.

Dr. Ragini R. Patil  
Principal
