PDEA'S AYURVED RUGNALAYA

PDEA has been synonymous with Quality Education for over many years. Having a vision of Bringing Ayurveda in Main streamline of Healthcare ‘Ayurved Rugnalaya and Sterling Multispecialty Hospital’ (ARSMH) was conceived to redefine healthcare in PCMC. Our purpose is to provide Ayurveda, Modern & professional Healthcare to the Rural & Urban community equitably.

Setting an Aim as Excel in Triple Interlinked Task of Teach, Discover and Cure in the field of Holistic Healthcare ARSMH started operations in 1991-93, and boasts a strong team of distinguished Healthcare Practitioners, Qualified Nursing and Paramedical Staff. The Medical team of the Hospital comprises Best Ayurveda and Modern Medicine Professionals. The hospital has the latest technology to assist the doctors. The hospital’s focus is on research and it is attached with the existing College of Ayurveda and Research Center.
